

# TRAVEL AND DISBURSEMENT GUIDELINES - ROSTER LAWYERS

## 1. Purpose and Principles

- 1.1. These guidelines provide a framework of accountability and rules to guide the effective oversight of public resources in the reimbursement and payment of travel, meal, accommodation and other expenses.

They are intended to ensure fair and reasonable practices, and to ensure that individuals are properly reimbursed for expenses incurred providing Legal Aid Alberta (LAA) services. Each person submitting or approving expenses/allowances is expected to read, understand, and ensure that related LAA Policies and Guidelines are followed.

Claimants should be mindful that LAA is a non-profit organization with a responsibility to use public funds wisely and efficiently. As such, expenses must be justifiable and not excessive, which requires Claimants to prioritize options that offer best value for money. For example, where the Claimant has discretion in selecting between various options for airfare, hotel accommodations, or vehicle rentals, they are expected to choose the most cost-effective option that meets their reasonable needs.

- 1.2. Both Claimants and Approvers shall take the following principles into account in determining whether to make claims for and authorize reimbursements and allowances:

- (a) taxpayer dollars are to be used prudently and responsibly with a focus on accountability and transparency;
- (b) travel, meal, accommodation and other expenses must support Legal Aid Alberta objectives and demonstrate they are both necessary and cost-effective;
- (c) only legitimate and approved expenses incurred in relation to Legal Aid Alberta services will be reimbursed;
- (d) claims should be:
  - (i) able to withstand scrutiny by LAA;
  - (ii) properly explained and documented;
  - (iii) only claimed for reimbursement one time;
  - (iv) only for the duration of the provision of LAA services;
  - (v) reasonable; and
  - (vi) appropriate.

## 2. Definitions

In these guidelines:

1. **Approver:** With respect to a Claimant, an individual with the authority to approve reimbursements or allowances under these guidelines.

2. **Claimant:** The lawyer named on a LAA Certificate who seeks reimbursement of travel or disbursements on the LAA Certificate.
  3. **Lawyer Courthouse:** The primary lawyer courthouse, or the approved secondary courthouse as stated on the certificate.
    - a) Kilometrage will be calculated based on a starting point of the “Lawyer Courthouse” and an ending point of the court location or DC court location, either of which are stated on each individual certificate.
    - b) If you are choice of counsel, (3) (a) applies.
    - c) If choice of counsel is waived, offers will first be sent to lawyers within the service location and kilometrage will be calculated pursuant to 3(a).
  4. **Meals:** Any expenses incurred in respect of food or non-alcoholic beverages provided to individuals described in section 3.1. to facilitate LAA Services.
  5. **LAA Services:** Any legal service conducted on behalf of a LAA client and/or pursuant to a LAA certificate that is required to discharge the Claimant’s duty to the LAA client pursuant to their obligations outlined by the Law Society of Alberta (“LSA”).
